## About MGES!

Our company Migration Governance Eco-System is a 100% Bumiputera-owned company that is active in the field of information technology with over 25 years of experience. Apart from being a supplier of equipment to the government and the private sector, VISTASENSE SDN BHD also has local expertise for the development of computer software with the latest technology.

Our strategic business partner, Vistasense Limited based in Dhaka, Bangladesh is an organization with over 30 years of experience in the field of recruitment, training and supply of Bangladeshi workers to countries such as Saudi Arabia, UAE, Singapore and Malaysia.

## What we do?

### Employer Demand

Verification & Attestation for Employer's Demand of foreign Workers

### KDN Approvals

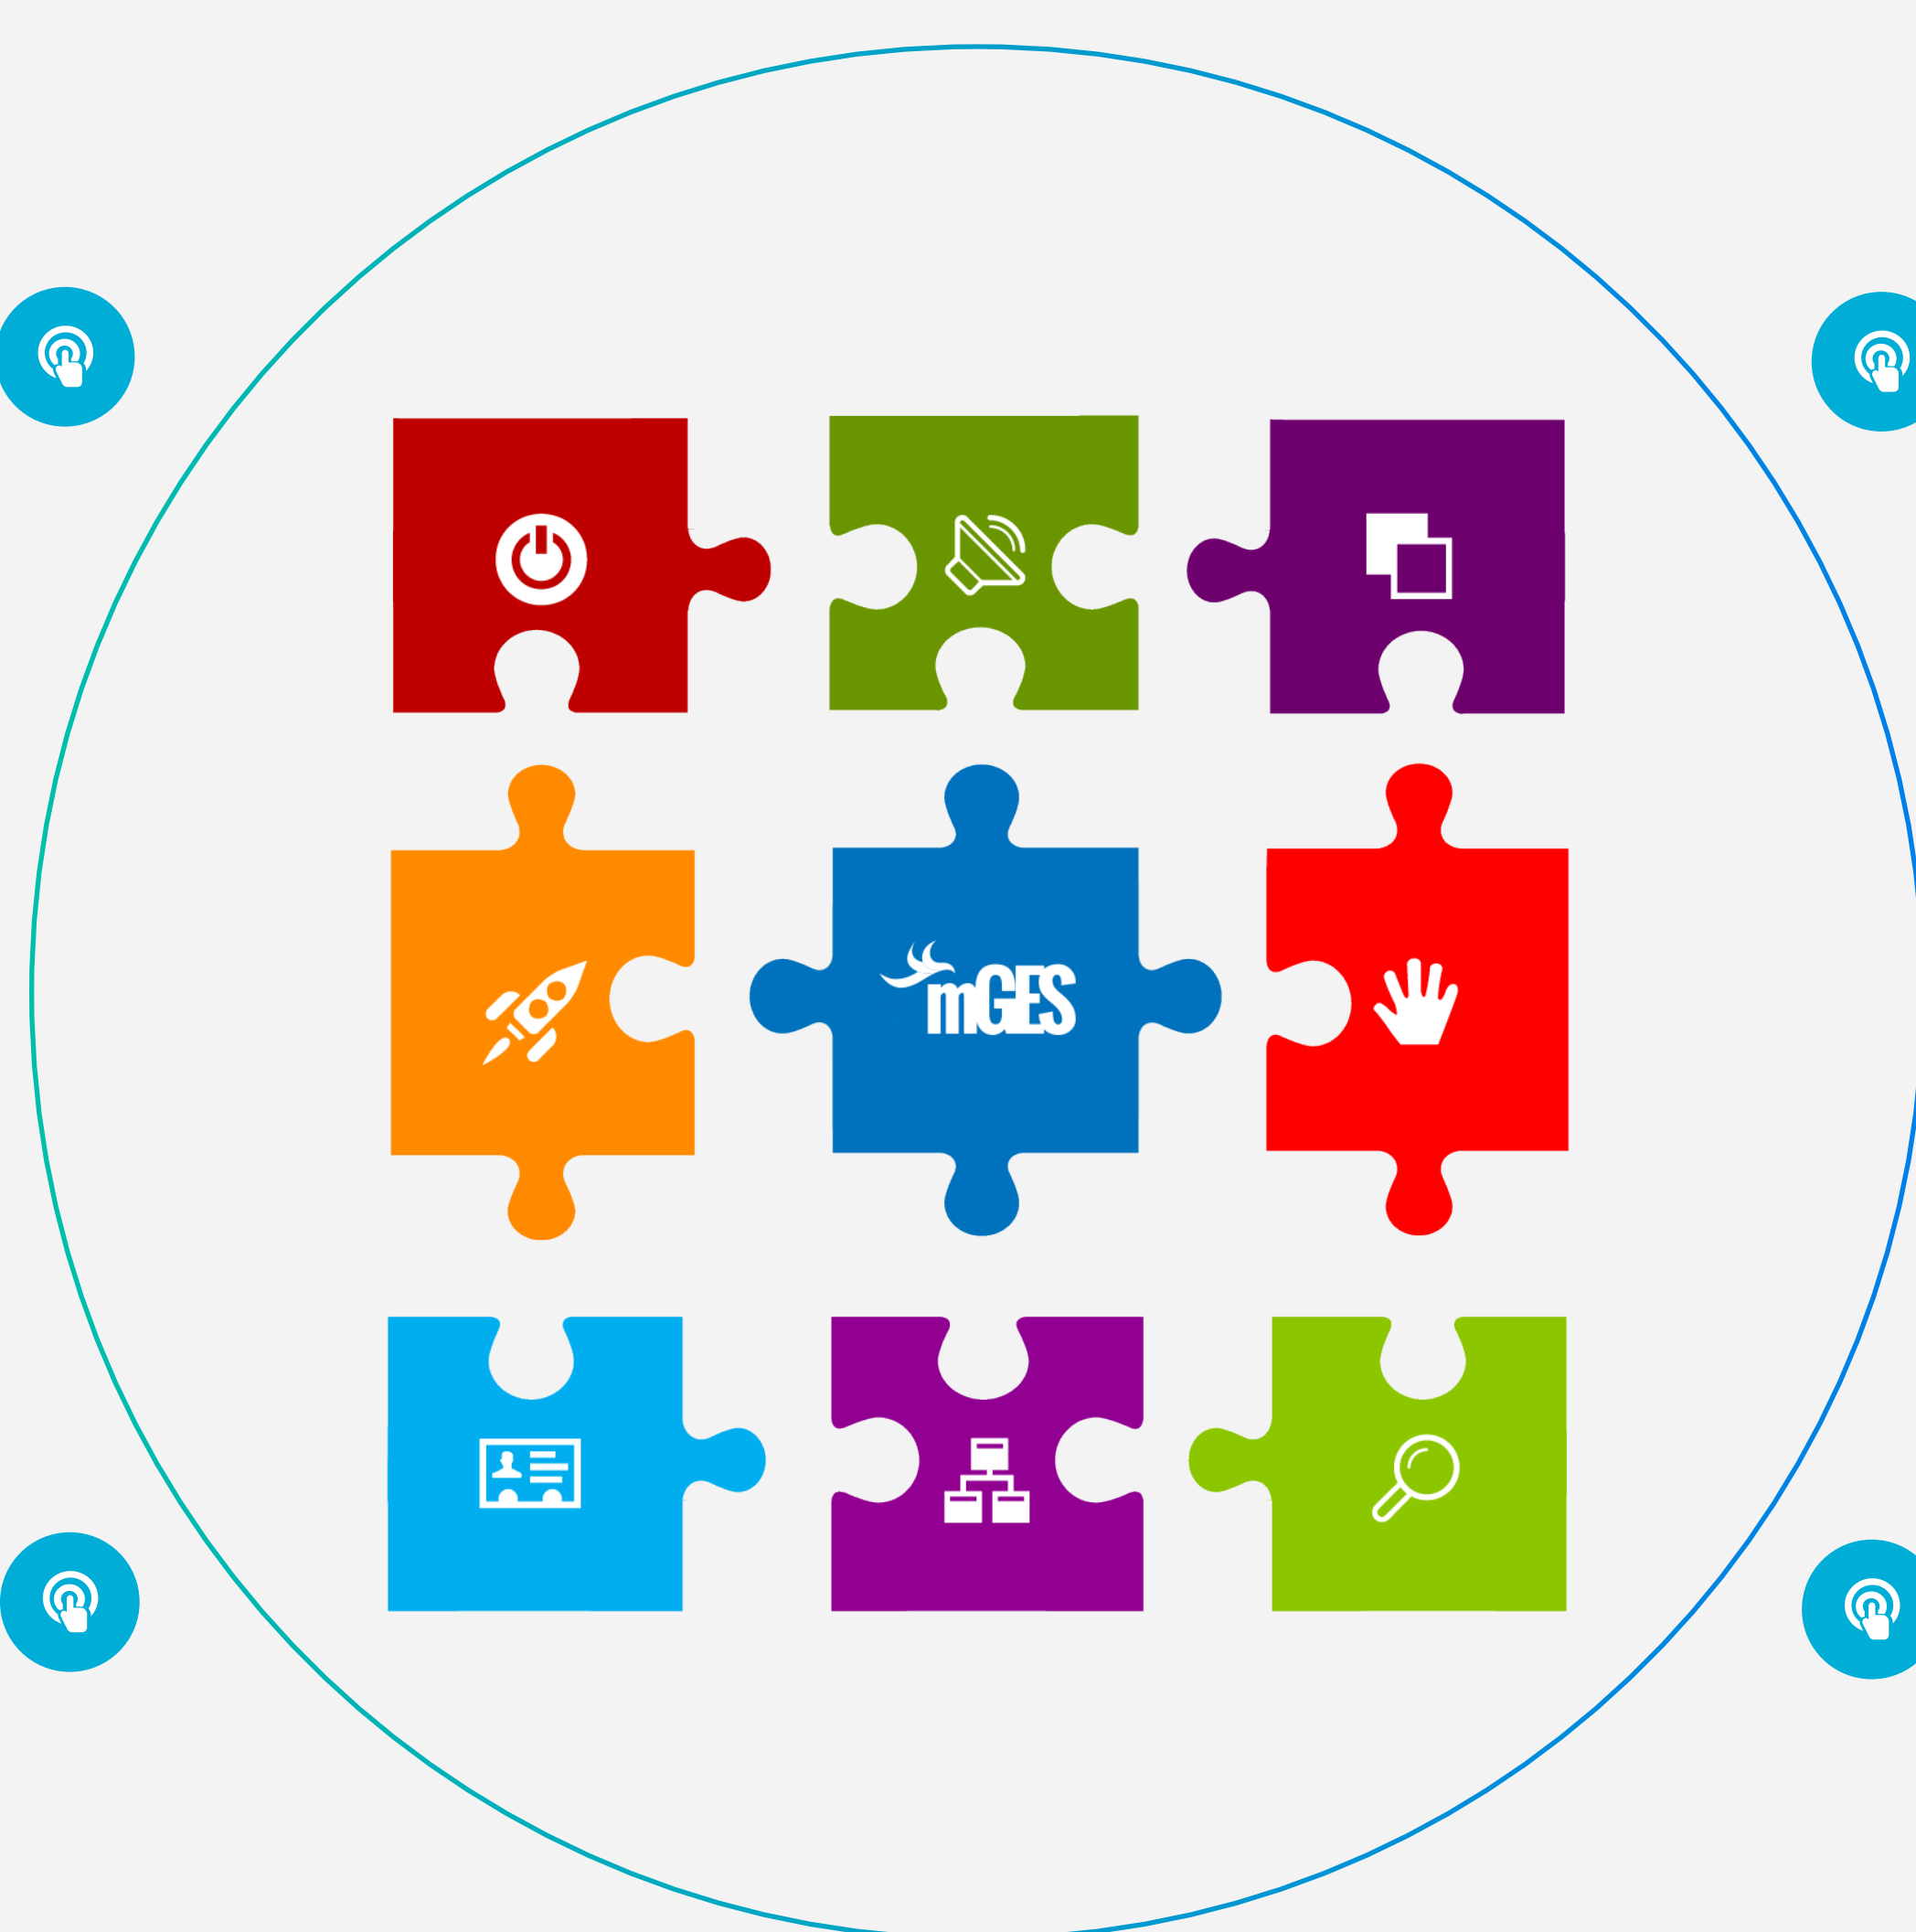

Manages KDN Approvals for Employers for hiring Foreign Workers

### Calling Visa
